ABOUT THE COLLEGE

Arulmigu Palaniandavar College of Arts and Culture was established in 1963 by Arulmigu Dhandayuthapani Swami Thirukoil, Palani which is under the Hindu Religious and Charitable Endowments (Admn). Department, Government of Tamilnadu, Chennai. Since its inception, this institution has been in the forefront of offering higher education to the youth of this rural area. The college has implemented the shift system from the academic year 2019 - 2020 to accommodate a dual set of students under UG and PG Programmes.

ABOUT THE DEPARTMENT

The Department of Botany was established in the year 1964 as a pre university course in natural science and as an ancillary department under Madras University, later in the year 1965 it came under the control of Madurai Kamaraj University. In the academic year of 1971-72 an under graduate programme B.Sc., Botany was initiated with a sanctioned strength of 32 students and for the first time in Madurai Kamaraj University an aided co-education Post Graduate course was introduced in the year 1975-76 with a sanctioned strength of 20 students. Now the department lab has equipped with sophisticated instruments and upgraded as a Research Centre affiliated to Madurai Kamaraj University

ABOUT THE SEMINAR

The agriculture is one of the most important sectors in India, which at present demands various biological inputs for the betterment of the society and environment. The present seminar cum workshop is mainly focussed on different kinds of biotechnological approaches which are also reliable for the farmers. Biotechnological inputs like biofertilizer, organic farming and their production methods by younger generations and farmers will be a boon for ecofriendly crop production and entrepreneurship.

All are Welcome
